Greensboro, VT – On **Tuesday, August 6, 2019 at 7:30pm**, the **Telegraph Quartet** returns to **Summer Music from Greensboro's** Tuesday Evening Concert Series at **Greensboro United Church of Christ** (165 E Craftsbury Road).

The quartet will perform **Haydn's** String Quartet No. 67 in F Major, Op. 77, No. 2; **Britten's** Three Divertimenti; and **Beethoven's** String Quartet No. 14 in C-sharp minor, Op. 131. The Britten is included on the Telegraph's debut album, *Into the Light* (Centaur), produced and engineered by Jesse Lewis. The album features kaleidoscopic and kinetic modern string quartets from the 20th century – Leon Kirchner's String Quartet No. 1 (1949) and Anton Webern's Fünf Sätze (Five Movements), Op. 5 (1909) in addition to Britten's Three Divertimenti (1936).

The **Telegraph Quartet** formed in 2013 with an equal passion for the standard chamber music repertoire and contemporary, non-standard works alike. Described by the *San Francisco Chronicle* as "...an incredibly valuable addition to the cultural landscape" and "powerfully adept... with a combination of brilliance and subtlety," the Telegraph Quartet was awarded the prestigious 2016 Walter W. Naumburg Chamber Music Award and the Grand Prize at the 2014 Fischhoff Chamber Music Competition.

The Quartet has performed in concert halls, music festivals, and academic institutions across the United States and abroad, including New York City's Carnegie Hall, San Francisco's Herbst Theatre, and the San Francisco Conservatory of Music's *Chamber Masters Series* and at festivals including the Chautauqua Institute, Kneisel Hall Chamber Music Festival, and the Emilia Romagna Festival. The Quartet is currently on the chamber music faculty at the San Francisco Conservatory of Music as their Quartet-in-Residence.

Notable collaborations include projects with cellists Norman Fischer and Bonnie Hampton; violinist Ian Swensen; pianist Simone Dinnerstein; and the Henschel Quartett. A fervent champion of 20<sup>th</sup>- and 21<sup>st</sup>-century repertoire, the Telegraph Quartet co-commissioned John Harbison's String Quartet No. 6 and gave its West Coast premiere in the fall of 2017 on San Francisco State University's Morrison Artists Series. The Quartet gave the world premiere of Robert Sirota's String Quartet No. 3, *Wave upon Wave* at Weill Recital Hall for their Carnegie Hall debut in 2018, sponsored by the Naumburg Foundation. The Telegraph Quartet also premiered Richard Festinger's third string quartet, *Icarus in Flight*, a musical representation of climate change data from the year 1880 to projected simulations of 2080.

Beyond the concert stage, the Telegraph Quartet seeks to spread its music through education and audience engagement. In the Fall of 2017, the Quartet traveled to communities and schools in mid-coast Maine with Yellow Barn's *Music Haul*, a mobile performance stage that brings music outside of the concert hall to communities across the U.S. The Quartet has given master classes at the San Francisco Conservatory of Music Collegiate and Pre-College Divisions, through the Morrison Artist Series at San Francisco State University, and abroad at the Taipei National University of the Arts and National Taiwan Normal University.

While the Telegraph Quartet is indebted to numerous mentors and teachers, their primary musical guidance and support has come from Mark Sokol, Bonnie Hampton, and Ian Swensen, at the San Francisco Conservatory of Music. The Telegraph Quartet is based in the San Francisco Bay Area. For more information, visit [www.telegraphquartet.com](http://www.telegraphquartet.com).

**Summer Music from Greensboro (SMfG)** has been a concert tradition in northern Vermont for over 35 years. The SMfG concert series has enriched the lives of all ages among the greater Greensboro and Northeast Kingdom community, and presented exquisite performances by exceptional musicians from throughout Vermont, New England, and beyond to enthusiastic acclaim from these audiences.
